Tennessee Recreational Properties LLC (TRP) has been specializing in premier equestrian and recreation properties in the Big South Fork (BSF) region for many years. One can arguably say that the founders, Ed Wiley and Jerry Gernt, have had this vision for the region for a long time. They are seeing the fruits of their labor, and that of their professional team, come to fruition. TRP has several gated communities to offer, each presenting something for most everyone. They do more than specialize in the BSF area real estate, they actually live, ride, and recreate here, so you are getting expert, honest, professional advice. Their properties are in the heart of the "Trail Riding Capital of the Southeast" with its hundreds of miles of trails for horseback riding, hiking, and outdoor recreation with affordable land and a very low tax rate compared to the urban areas. The Highlands at Big South Fork was one of their first gated equestrian developments featuring paved roads, gorgeous bluff views, and spacious land around the amazing homesites that have been built with direct access into the BSFNRA. River Park, Hitchin' Post, Hunter's Ridge, Flat Rock Preserve, Nichol Creek Farm, and Island in the Sky offer a little different terrain, amenities, and layout to appeal to equestrian and outdoor lovers. Sue Neff, broker of TRP and Leslie Helm, agent, specialize in these properties and more. They love horses, ride horses, and can guide their guests - those wishing to retire or relocate to the ideal piece of property that would be best suited for their needs and wishes. TRP is a firm believer of doing what is right for the customer, conserving and preserving God's natural assets, and creating a masterpiece within each canvas that they develop; creating different environments for those wishing to LIVE and to enjoy their LIFE. Let TRP show you around "The Big South Fork Country" and take you out on the trails through their sister company, East Fork Stables. Come down for a weekend and stay at East Fork or one of the other TRP properties. Time it with one of East Fork's or one of the other BSF events and really discover the friendly people, the beautiful region, and the lasting memories. www.bigsouthforktrp.com • 866-731-7268

Happy Trails!

Maple Hill RV Campground and Cabins is the newest full service campground in the region. Mark and Audrey Asprogiannis fell in love with the area and moved their children, Sarah and James, from North Carolina for a better quality of life. They bought Maple Hill Campground that year with a vision of turning it into a premier campground with 4 new cabins for rent (1 handicap accessible). It is conveniently located between Big South Fork and Dale Hollow Lake. The campground has 9 pull-through sites for RV's (25' x 65') with full hook-ups, trailer hook-ups, 50/30/20 amp electric, 22 level sites, free WI-FI, and they can arrange horse or fishing guide services, tour information, and can help you plan your day out in the region. They have a clean laundry area, dump station, and pets are welcome on a leash. Cable TV is available with a pavilion and kitchen for groups or family reunions. The family lives on site to insure that the guests are taken care of and that friendly, professional service can be given to their guests to insure a comfortable and memorable visit. Visit Maple Hill RV Campground and Cabins on-line to view their facility and call them today to book your outdoor vacation at www.maplehillrv.com or phone Mark or Audrey at 931-879-3025.
